

## END CAP BATH BARS

### VANITY DIFFUSERS

The End Cap Bath Bar series of diffuser assemblies allow the lighting designer and manufacturer to produce a cost effective, yet elegantly styled luminaire. The diffuser assembly consists of a solid white, clear fluted, or white fluted profile mated to a choice of end cap sizes and colors. By utilizing our spring clips with a standard 1-lite strip fixture, a low cost luminaire with a high perceived value can be achieved. The spring clips, when fastened to the strip fixture, creates a pressure fit mounting method, allowing the completed luminaire to be suitable for either vertical or horizontal wall mounts. In addition, the diffuser assemblies are ADA compliant. A range of colors are available from basic opaque white to a family of marble effects. RLR has developed colors which can emulate effects of translucent alabaster or marble grains, or a variety of opaque faux marble finishes. RLR can also develop a custom end cap color, shape, or custom profile for proprietary applications if requested by the manufacturer. Custom diffuser lengths are available, please contact the factory for details.

EC	4	49 1/2	4 3/4	4	49

### Narrow End Cap (1/2" wide) - ECN

Series	Length	A	B	C	D
ECN	2	25 1/2	4 3/4	4	24 1/8
ECN	3	37 1/2	4 3/4	4	36 1/8
ECN	4	49 1/2	4 3/4	4	48 1/8

## ORDERING INFORMATION

All RLR End Cap Bath Bars are individually packed. Bulk packaging provided upon request.

Each RLR End Cap Bath Bar requires 2 pcs. of ENDCAPCLIP spring clip for fastening to the strip fixture. The ENDCAPCLIP product is bulk packed and must be ordered separately.

Wide caps can be sandblasted upon request (Sandblast option).
